WRITING

"Two sides of audio-books"

Everyone has listened to audio-books at least once. But not everybody finds it comfortable for using in their life. Let us consider the pros and cons of that kind of entertainment.

In one hand ^{audio-books} it is every comfortable when you can not concentrate on a text. So in that case audio form of the book ~~more~~ is better. ~~Although~~ Also, when you listening, it's more likely to start ~~imag~~ that your imagination works better.

However, there are a few issues with listening to audio version of book. If speaker has bad pronunciation, unpleasant voice, excitement of listening can turned into real torture. But, fortunately it's not likely to happened, because of many alternatives, that you can find in the Internet.

To sum up, everybody has their own preferences. Someone may find it boring reading books and they prefer audio-books.

Someone does not like when ~~spea~~ another person reading a book for them and ~~for~~ they prefer to read for themselves. ~~So,~~ So, there are lots of pros and cons of listening to audio-books
